

The Youth and Community Team are currently working with a group of young people with an interest in eco issues. As part of their project they are working on a “flashmob” (a group of people who assemble suddenly for a short performance before dispersing quickly). The purpose of this exciting performance will be to create an audience for the young people to discuss eco issues with and introduce their new charter to. We hope to perform the “flashmob” in New Year and will confirm the date nearer the time.

We are looking for people to join in with this production. I am writing to you because your young person is an “Eco Warrior” and could support our eco group with their performance. We have organised for an artist to deliver a number of percussion workshops at the Oval centre. These workshops will be useful in providing your young person with a role and allowing them a space to practice for the performance. We will be running these workshops from 6pm – 7.30pm on the following dates....

- 27<sup>th</sup> November
- 11<sup>th</sup> December
- 15<sup>th</sup> January

For further information please contact Jane Leonard or Kizzy Livermore 01946 839922.

Please give your consent for your young person to take part in the percussion workshop.
