School Charging Policy

The admission of a child to Beckstone Primary School and the formal Curriculum offered to a registered pupil is not subject to charge.

The Governors wish to see the Curriculum enriched as far as possible for the benefit of all pupils. As a result many of the extra curricular activities (as described elsewhere in this prospectus) are free or subsidised. Furthermore the Governors are committed to running the extended services in a 'non profit' manner so that parents get full value for money and the community is well supported.

The Governors recognise however that whatever public funds are made available they will never be sufficient to fund all desirable activities at the required level. They therefore reserve the right to:

- charge parents for activities offered as an optional extra wholly or mainly outside school hours
- reclaim from parents the cost of wilful breakages and damage
- seek voluntary contributions from parents to fund educational trips and visits
- request parents to voluntarily provide incidental equipment
- request voluntary donations towards the cost of trips in order for them to be financially viable
