

# Water Safety at the Beach

## DANGERS

Can you number the following dangers on the picture?

- 1 Look out for deep or shallow water and take care around rocks
- 2 Stay back from cliff edges and never jump from high cliffs or bridges
- 3 It's often windy at the coast and you can burn easily so wear sun cream and a hat
- 4 Red flag means danger so stay out of the water
- 5 Look out for rescue equipment and signs – they're there to keep you safe
- 6 Currents can push you out to sea
- 7 Never mix alcohol and swimming
- 8 Never use inflatables in the sea
- 9 Red and yellow flags show a safe zone where Lifeguards are keeping an eye on you
- 10 Trained Lifeguards are there to keep you safe. Listen to them carefully
- 11 Always watch children near water and keep within arm's reach

Always follow the  
WATER SAFETY CODE
