

The River Nile

Would you like to know about the longest river in the world and how many people depend on the Nile. Read on to find out more...

The Importance of the Nile

Every thing the farmers grow depended on the Nile also they needed the River Nile for transport as well as water. Without The Nile, the Ancient Egyptian would not have existed. The Ancient Egyptians used the River for collecting water, hunting and fishing.

Gods and goddesses

The ancient Egyptians believed that the tears of the goddess Isis made the Nile overflow. They celebrate this each year with a festival called The Night of the Drop.

Hapi the god of The Nile

Locations of the Nile

The river flows through Egypt's great cities, such as Memphis and Thebes, which were build alongside the Nile.
